

Tara Woods Caring For CHILDREN!!
Give Kids More Hope Through Gold Together

Cancer is the leading disease-related cause of death for children and adolescents. 1 in 260 children will be diagnosed before the age of 20. The Gold Together movement was created by the positive energy of Cole Eicher, childhood brain cancer survivor. His vision started with one American Cancer Society Relay For Life® team in St. Petersburg. It quickly grew into over many teams across the nation fighting together to attack childhood cancer. Because when we rally together, we can accomplish anything. Tara Woods is supporting this effort through the Tara Woods Caring for CHILDREN!! Team.

An important element of ACS events is the Luminaria Ceremony, where luminaria lights the path to celebrate the lives of those who have faced cancer, remember loved ones lost, and fight back against a disease that has taken so much. This ceremony symbolizes the hope and perseverance with which we all continue to fight. Because when the sun goes down, hope shines the brightest.

Tara Woods will be hosting a relay in support of the Gold Together movement on Sunday, April 7 beginning at 10am. The day ends when we return to the clubhouse for the powerful (indoor) luminaria ceremony at 3:00 pm.

You can keep the flame of hope lit by dedicating a luminaria **in memory of** a loved one you've lost to cancer or **in honor of** someone still fighting or who has beaten the disease. If you are interested in participating, luminaria sales are available on Tuesdays before Bingo 5:30-6:30 pm or at Saturday morning coffee. You can also drop off this form and your donation (in an envelope please) by **April 8, 2024 to the Front Office** in the purple luminaria box with gold flowers.
