## FROM THE BOARD ROOM by Lou

By Lou Dunning, President, 239-240-5847, loudunning2@gmail.com

We wish our neighbors and friends who head north, safe travels and a speedy return. Meanwhile, we are seeing tangible results from our months and months of meetings and conversations with Hometown America.

Some examples:

- Common area tree cutting and trimming in preparation of possible hurricanes.
- Refurbishment of the dog park with new shade covers and newly painted benches.
- Fence replacement along Kara Circle.
- Front entrance - removal of circular planters and trees - replacement to be concrete circular edging with seasonal plants and palm trees.
- Front entrance new sign to follow.
- Installation of two ADA lift chairs at the pools.
- Exploring cameras for Clubhouse, Kitchen, and RV area.
- A new modern fitness center (within current building footprint) has been approved and awaiting contracts to be cut.
- Replacing Clubhouse tables will be addressed.
- Three full-time maintenance people have already made a visual improvement to the property.
- Scrutinizing new updated audio system for the Clubhouse.

- Receiving bids for painting exterior of Clubhouse, Fitness building, Shiloh Lane building, and Clubhouse interior.

We, as residents and our guests, can also help make our Community even better:

- Obey the speed limit and stop at stop signs.
- Pick up after your dogs.
- Keep your home and lot in good condition.
- Never feed the wildlife - i.e., ducks, cranes, fish, alligators, and turtles.
- Always lower umbrellas at the pool when you are done and put the furniture back.

**HEADS UP** - as we expect work to continue to improve our community, both interior and exterior, you are reminded to always keep a safe distance from workers for your safety and theirs.

**DID YOU KNOW THAT** - Your Tara Woods Homeowners Association oversees 35 committees serving our Community. Look over the list of committees found on our [www.twhoa.net](http://www.twhoa.net) website, or, found in the 2024 Tara Woods phone directory on pages 4 & 5. See something you might be interested in? ## CAROL'S CORNER

Hopefully the information I will be sharing with you is useful and eliminates confusion.

I am writing about the TWHOA sponsored Memorial Committee and its function. If you are an active HOA member and, of course, a resident, this Committee is available to you at no expense. It is a very difficult time when a loved one passes, and harder to think about planning a service. This is when the Committee becomes your guide and helpers. Once the family is in touch with the Committee's chairperson, the details of the planning begin. On the back bulletin board in the Clubhouse is a step-by-step guide for families regarding what and whom to contact. We would like to have three or four-week notice if possible, so there is time for us to set things in motion.

On the day of the service, the Committee sets

up the necessary tables, and serves the food provided by the family. If the loved one was an HOA active member, paper plates, napkins, plastic utensils, cups, paper tablecloths, punch, and coffee, are provided. If they are NOT a member, the Committee would only serve the food for the family if needed; everything would then be supplied by the family. The Chairperson of the Committee would still be available to help with the planning.

This is a beautiful, helpful, loving, Committee, and is available to you in your time of need and sorrow. Completely free if they are an HOA active member.

My goal was to share with you what a blessing they are in a time of need.

*Thank you,  
Carol Schnepf, Board Liaison*

## THANK YOU, TARA WOODS RESIDENTS!

Together we collected 53 pounds of aluminum can tabs. AMAZING!

The money from the tabs will provide transportation for children at the Shriners Hospital.

Thank you to Ron and Sue Proulx for transporting the tabs to New Hampshire.

At our May meeting, Dick & Jean Resh cooked up burgers and dogs, and Club members brought sides and dessert. Our new Vice President, Mardette Alexander, took office this month, and Ed Pollitt will continue as Treasurer for the next two years. We will enjoy casual gatherings over the summer on the Veranda.

## ENTERTAINING NEWS

Hopefully, this finds everyone safe and sound, either back up north for the summer or staying cool in the Florida heat.

For The Entertainers, it means we have had some time to recharge and get settled, and now we are ready to get back to work on our new play for next year! Rehearsals will begin a little earlier for the new season, as we will be performing on February 21st, 22nd, and 23rd, instead of our usual time at the beginning of March! This means it is crucial that our cast know their lines quicker and be "off book" that much earlier!

Our play for next year is a comedy, called Saint Peter's Escort Service, written by Gary Ray Stapp. Telling you too much about the play at this early stage would be imprudent so I'll keep that to myself just for now.

We are always happy to welcome new members to our group. We always need stand-ins and people who can help with sets. We understand that putting on a play demands a lot of your time so if you are unable to commit to that, we still have something for you to do! Sets need to be built, which is a job that requires a special skill, and when our performances are on, we need ushers and ticket sellers. Please let us know if you are willing to help with that.

Enjoy the summer, Happy Father's Day, Happy Canada Day, and Happy Fourth of July!

## DID YOU KNOW?

A MONTHLY ARTICLE FROM YOUR AGING WELL INFORMATION RESOURCES COMMITTEE  
a TWFOA Board-affiliated group

The mission of Aging Well Information Resources is to be an INFORMATIONAL RESOURCE for services that are available in Lee County to meet the needs of Tara Woods residents.

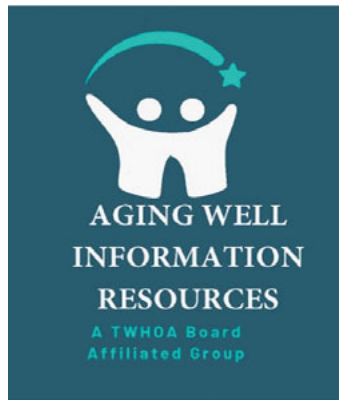

This month, we have included information on how to dispose of medications.

Each Lee County Sheriff's Office Precinct has a Disposal Drop Box to collect unused and expired prescription and non-prescription medications during normal business hours. All medications received will be incinerated, helping to protect the community and environment. The secure and anonymous Drop Box location is at 1st Precinct, 121 Pondella Road, North Fort Myers; 239-477-1810. Hours: 8:00 AM - 4:30 PM.

Deterra Drug Disposal System pouches are available at no cost for Lee Health and Lee Physician Group patients to take home and use to properly dispose of their expired prescription medications. Deterra's patented medication disposal pouches deactivate prescription drugs, pills, patches, liquids, creams, and films and renders them inert, unavailable for misuse, and safe for the environment.

Veterans can find the large blue MedSafe boxes at VA Clinic Cape Coral, 2489 Diplomat Pkwy E., Cape Coral, FL 33909.

# Avoid these estate planning mistakes

By the time you reach retirement age, you may have accumulated a 401(k), IRA and other investment accounts, along with insurance policies and physical properties. You'll use some of these assets to support your retirement, but the rest may end up in your estate — which is why an estate plan is so important.

So, to leave a legacy for your family and those philanthropic groups you support, you need a comprehensive estate plan — and you need to avoid making mistakes. Here are some of the most common ones:

**Procrastinating** – Estate planning, and its implications about our mortality, may not be a pleasant topic to think about. Yet, putting off your estate plans can be risky. If you were to pass away or become incapacitated without doing any estate planning, the results could be costly for your loved ones. One possible consequence: If you haven't at least created a basic, simple will, the courts could decide how to divide and distribute your assets, and they may do so in a way you wouldn't want.

**Not updating wills and other documents** – Drafting a will and other legal documents, such as a living trust, is an important step in your estate planning. But you shouldn't just create these arrangements and forget about them. Changes in your life and among your loved ones — deaths, divorce, remarriage, new children and more — may result in the need for you to update your estate plans, so it's a good idea to review them periodically.

**Not updating beneficiaries** – Similar to updating your will to reflect changes in your life and family situation, you may also need to update the beneficiaries listed on your financial accounts and insurance policies. These designations carry a lot of weight and can even supersede instructions in your will, so you'll need to make sure they are current and accurate.

**Not properly titling assets in a trust** – Depending on your situation, you may benefit from establishing a living trust, which may allow your estate to avoid the time-consuming and expensive process of probate. A living trust also helps give you control over how, and when, you want your assets distributed. However, you need to retitle your assets in the name of the trust for the trust to be effective.

**Not choosing the right executor** – An executor carries out your wishes based on the instructions you've given in your will or trust documents. But fulfilling an executor's duties is not as simple as, say, following a recipe for a basic meal. Consequently, while you might just want to pick a close family member as executor, you need to be sure this person is competent, good with details and won't be overwhelmed by the financial and legal issues involved in settling an estate. If your initial choice doesn't have these skills, you may need to find a responsible person outside the family.

Finally, here's one more mistake: going it alone. Estate planning is not a do-it-yourself activity. To help ensure your estate plan addresses all the issues involved, you'll need to work with a legal advisor, and possibly your tax and financial professionals, too.

Devoting the necessary time and effort can help you avoid many of the mistakes that threaten the effectiveness of estate plans — and the fewer mistakes you make, the better off your beneficiaries can be.

# SPRING FLING

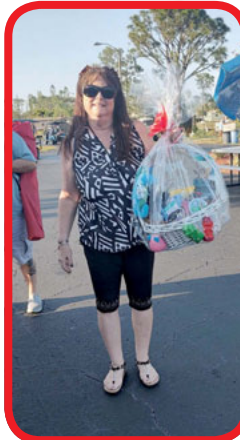

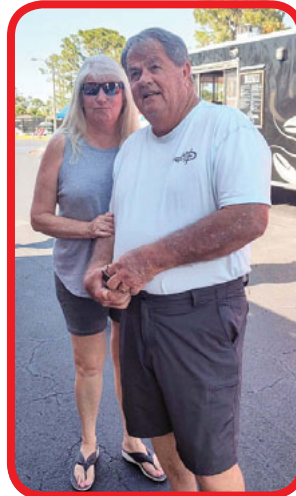

The Tara Woods Homeowners Association sponsored our Annual Spring Fling on Shiloh Lane on a sunny, warm, afternoon. A special thank you to Board member, Lynn Lessmiller, for organizing and coordinating this fun afternoon, along with the many, many volunteers whose hard work made it a wonderful day. A large thank you to our DJ, Jeff

Lessmiller, for providing the perfect music for this event.

Who knew that Tara Woods was the home of such talented Karaoke singers. The line dancers took center stage and demonstrated their skills to the delight of all residents. We had the opportunity to go to two food trucks. Horse Eyed Jake's and Lobstah were available

for purchasing your food.

Another big thank you to our Lee County Sheriff's Department liaison, Officer Sherman, who joined us with the Lee County Sheriff's Department Ice Cream Truck. It was a perfect day to enjoy a free hand-dipped ice cream cone.

# Tara Woods "85 Plus Party"

Your Tara Woods Homeowners Association was proud to sponsor the Tara Woods Celebrates Residents 85 Plus party in the Clubhouse. Thank you to our Activities Committee members who made the day special. I was honored to share lunch with the over seventy residents and guests.

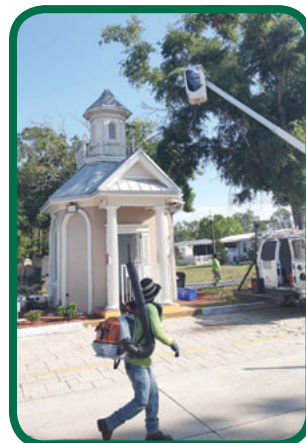

I acknowledged that these very special attendees are the backbone of Tara Woods and they formed what we are building on today. Thank you to each of YOU!

## NEW IMAGE CHORUS

Submitted by Lesley Krauss, pklesley@icloud.com

Summer's just about ready to start. Most of our residents, if they are leaving, have left and the rest of you are settling indoors to beat the heat.

I am happy to say that The New Image Chorus has picked a theme for next year and Polly Brown, our music librarian, has been busy picking out potential music to work with.

We will reconvene in October; I'll have a firm date as it gets closer to the time. Hopefully, some of you were inspired by our concert and encouraged to join us next winter. Remember, we meet on Mondays at 12:30 PM, for about two hours. We are planning on doing another sing-along in the Clubhouse, after the annual Christmas Golf Cart Parade in December, so please keep that in mind too. We are still on the lookout for both a conductor and a pianist.

Either, or both, will be well received.

If you know of anyone, or if you are interested, please email me over the summer season at pklesley@icloud.com with your name and phone number and I will be in touch! Or, if you are here in the community, look for Polly Brown and talk to her.

I would be remiss if I didn't mention the terrible loss that we suffered in April with the death of our member, Sherry Rice. She was a lovely lady, and she will be remembered as a dedicated member of our chorus. Our deepest condolences on behalf of the New Image Chorus to her husband, Mike, and her mother-in-law, Vera Day, both members of our Tara Woods community.

Keep singing and see you all soon!

## CANS TO THE CURB

Put your aluminum cans out to the curb on the 1st and 3rd Saturday of each month by 9:00 am. Our dedicated volunteers will pick them up. Why? - Revenue from the cans help fund your homeowners association. Recycling by "cans to the curb" it is good for us and our environment.

## AED'S LOCATIONS

If you're wondering what an AED is - and why they seem to be located in most offices and public buildings, you're not alone. In fact, because these devices are now commonly available, more people than ever before are curious about them. So - just what is an AED? An AED, or automated external defibrillator, is used to help those experiencing sudden cardiac arrest. It's a sophisticated, yet easy-to-use, medical device that can analyze the heart's rhythm and, if necessary, deliver an electrical shock, or defibrillation, to help the heart re-establish an effective rhythm.

Located at the north entrance of the Clubhouse.

### BOWLING LEAGUE NEWS

Our 2023-2024 bowling season came to an end with the Four Stooges prevailing on the last day to claim top spot.

Congratulations to: Mike Curtis, Mike Renzulli, Randy Murschell, and Bill Nothnagel. Congratulations go to Judy Girty and Joe Holman for high average. We also gave out numerous other individual awards as well.

Our next season starts in November and runs until the first week in April - a total of twenty weeks of fun, laughter, and a little bit of frustration when that 7 pin or 10 pin is still standing; rumor has that it might be glued

down.

You don't have to be a skilled bowler; as long as your fingers fit in the ball, you qualify. If you haven't lifted a ball in a while, then this is the perfect league to make a comeback or even start your new bowling career.

Call Judy Girty, President, aka Bowling Commissioner, at 513-702-6874 for more information.

Thank you, Judy and Rich, for a fun-filled season.
